

Short Term Missions Student Evaluation Form

Thank you for taking the time to complete this evaluation. We do not want your name included as this is strictly confidential. The information is intended to help our church be most effective when sending missions' teams into the field.

For Students:

- 1. From your experience on this trip, describe how you saw God work in your life and in the lives of those you served.**

- 2. Share your impressions about how well the team was prepared, worked together, resolved conflict and how the adult leadership interacted with the team.**

- 3. Specifically, what was the most helpful aspect of preparation for the trip?**

- 4. Describe your prayer and/or support raising experience. Is there anything different you would do in raising support the next time?**

- 5. What things would you change if you were going again and what things would you keep the same?**

- 6. Share a highlight and a low point from the trip.**

- 7. Would you serve on a missions' team again?**

- 8. Were there enough times provided to reconnect with the team (and God) throughout the trip?**

9. As a side effect of going on this trip, were you able to share the Gospel or have a significant discussion with someone about God in your life? Tell us about it.

10. Additional comments?

For Parents:

- 1. Were the goals of the mission clearly communicated to you?**
- 2. Were the trip needs/expectations clearly communicated (passports, immunizations, items to buy, travel plans, packing instructions, and trip itinerary)?**
- 3. Was it clear how the team would communicate with family while away?**
- 4. Were the behavioral expectations clearly stated?**
- 5. Was there a written schedule of team preparation and debriefing dates provided to you?**
- 6. Additional comments?**

For Youth Leaders:

****all above questions plus:**

- 1. Were you adequately prepared to lead this trip? What would have made you more prepared?**
- 2. How was constructive feedback received by individual students on the field?**
- 3. What follow-up needs to occur with students?**
- 4. What follow-up would be helpful to the agency/church with whom you partnered?**
- 5. Was there adequate time to “bond” with the students prior to the trip?**
- 6. How effective was your communication with the congregation both before the trip and upon your return?**
- 7. Additional comments?**
